WORM DRIVE is the accepted motor

truck drive in England-having

succeeded other forms of gear reduction

This Unqualified Guarantee shows where the makers of the

Pierce-Arrow Motor Truck stand in regard to worm gear drive:

The worm wheel and worm shaft, generally known as worm gear construction, employed in the Pierce-Arrow Truck, are warranted to fulfil

their functions for one year from date of shipment, under normal service.

Noise means useless expenditure of power. Silence means

utilized energy. The silent worm drive means maximum ef-
